

2025 PLANS

FULL - SERVICE MEMBERSHIP – “All-In Game Plan”

Designed for clubs and teams seeking a turnkey experience, allowing them to focus on the game rather than administration. The league provides professional support for operations, game day logistics, and social media management to ensure a seamless and competitive experience.

Ideal for:

Teams that want to concentrate on training and competition, without the burden of administrative tasks or field logistics.

INDEPENDENT MEMBERSHIP – “Field-Ready Plan”

Built for self-sufficient teams that prefer to manage their own operations and already have access to home fields. The league honors and respects each club’s independence and existing infrastructure, recognizing that these members do not require operational support to meet league standards.

Ideal for:

Clubs with internal infrastructure and staffing who prefer efficiency and more control over logistics.
